# THE FOREVER GIFT OF TIMBER

Forest landowners like you can help Vera Lloyd Presbyterian Family Services care for hundreds of boys and girls in Arkansas every year, through a forever gift of timber land. *All such gifts are placed in trust in perpetuity and can be named in honor of the donor.*

Vera Lloyd was established in 1923 through a gift of more than 1,000 acres of beautiful forest land in Monticello. Careful management over the years has provided valuable revenue to operate the children's home and meet unexpected expenses.

Today, the 45 acre campus is home to almost 200 children and youth every year who have been removed from their homes because of abuse and neglect. Poverty, parental drug and alcohol abuse and other factors have placed them in state custody. At Vera Lloyd they find safety, security and unconditional love.

As Virginia Dell Scott, an alumna of Vera Lloyd said, "The children's home and its caring staff demonstrated the real meaning of the word love to me."

Your gift of timberland will help Vera Lloyd Presbyterian Family Services continue to enable these youth to become successful adults.
