Independent Auditor's Report

To the Board of Directors
Vera Lloyd Presbyterian Family Services, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the consolidated financial statements of Vera Lloyd Presbyterian Family Services, Inc. and affiliate, which comprise the consolidated statements of financial position as of June 30, 2025 and 2024, and the related consolidated statements of activities and net assets, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Vera Lloyd Presbyterian Family Services, Inc. as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vera Lloyd Presbyterian Family Services, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vera Lloyd Presbyterian Family Services, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vera Lloyd Presbyterian Family Services, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vera Lloyd Presbyterian Family Services, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of governmental assistance, schedule of units of service, and supplemental data sheet for the year ended June 30, 2025, as required by the Arkansas Department of Human Services, are presented for purposes of additional analysis of the financial statements rather than to present the financial position, net assets, and cash flows of Vera Lloyd Presbyterian Family Services, Inc. and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 18, 2025, on our consideration of Vera Lloyd Presbyterian Family Services, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Vera Lloyd Presbyterian Family Services, Inc.'s and affiliate internal control over financial reporting and compliance.

Little Rock, Arkansas

VERA LLOYD PRESBYTERIAN FAMILY SERVICES, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2025 and 2024

Note 1 – Organization

Vera Lloyd Presbyterian Family Services, Inc. and affiliate (Vera Lloyd or the Organization) is a nonprofit organization incorporated under Arkansas law. Services provided include residential care, emergency shelter, and family counseling to young people who have suffered through extreme family turmoil. The Organization's business offices are located in Little Rock, Arkansas, and services are provided through facilities located in Monticello, Arkansas. Funding sources include contributions, earnings from investments, and contracts with the Arkansas Department of Human Services (DHS).

Note 2 – Summary of Significant Accounting Policies

Basis of presentation

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Principles of consolidation

It is the Organization's policy to consolidate the financial statements of Vera Lloyd and Vera Lloyd Presbyterian Foundation, Inc. (the Foundation), which are legally separate entities, as both the control and economic interest factors established in Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 958-810, *Not-for-Profit Entities – Consolidation*, are met.

The Foundation was incorporated under Arkansas law during the fiscal year ended June 30, 2016, to benefit and support the operations of Vera Lloyd. The financial statements as of and for the years ended June 30, 2025 and 2024, have been consolidated and all significant inter-organizational accounts and transactions are eliminated in consolidation. Summarized financial information of the Foundation as of and for the years ended June 30 is as follows:

	2025	2024
Total assets	\$ 14,036,732	\$ 13,360,502
Total liabilities	4,099	-
Total net assets	14,032,633	13,360,502
Total revenues, including investment income	802,785	1,074,105
Total expenses	130,654	33,642

Assets of the Foundation will be distributed to Vera Lloyd in accordance with the Organization's spending policy.

Cash and cash equivalents

The Organization considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Certificates of deposit

The Organization records certificates of deposit at face value plus accrued interest, which includes earnings through the last day of the fiscal year.

Accounts receivable

Accounts receivable for federal and state contracts and awards are recorded, along with the corresponding revenues, when services are performed either through the provision of units of service or through the claim for reimbursement of expenditures. These awards are subject to review by state and federal funding agencies, which could result in a request for reimbursement by these agencies for services disallowed under the terms and conditions of the agreements. In the opinion of management, such disallowances, if any, would not be significant.

Allowance for credit losses – accounts receivable

The allowance for credit losses is intended to cover expected losses over the life of accounts receivable and is a valuation account that is deducted from the amortized cost basis of accounts receivable to present the net amount expected to be collected. Management estimates the allowance for credit losses based on historical information, current conditions, and reasonable and supportable forecasts of future events or conditions. At June 30, 2025 and 2024, management determined that an allowance for credit losses on its accounts receivable was not necessary. As such, no provisions for credit losses were recorded during the years ended June 30, 2025 and 2024. This determination was based on numerous factors, including the Organization's absence of historical losses on accounts receivable and an analysis of its accounts receivable due from state agencies, which significantly limits credit risk.

Investments at fair value

Investments are stated at estimated fair values as determined primarily by quoted prices on the last day of the fiscal year, with interest, dividends, and realized and unrealized gains and losses recognized in the accompanying statements of activities.

Credit risk

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash, investments, and accounts receivable. At times throughout the year, the Organization may maintain its bank accounts at levels in excess of the Federal Deposit Insurance Corporation (FDIC) insured limit. Management believes that its policies are adequate to minimize potential credit risk. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the Organization's account balances.

Property and equipment

The Organization capitalizes expenditures for property and equipment at cost for items exceeding \$500. Donated assets are stated at their estimated fair market value at the date of the gift. Depreciation is calculated using the straight-line method over the estimated useful lives of the related assets.

Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying value may not be recoverable. If the sum of the expected future undiscounted cash flows is less than the carrying amount of the asset, a loss is recognized for the difference between the carrying value and the fair value of the asset.

Interest in perpetual trust and split-interest agreements

The Organization is the beneficiary of a single perpetual trust. Under the terms of the trust, the Organization has the irrevocable right to receive the income earned on the trust assets in perpetuity, but will never receive the assets comprising the trust. These arrangements are recorded at the fair value of the assets held in the trust, unless circumstances indicate that this value differs from the present value of the expected future cash flows from the trust.

The Organization is also the beneficiary of a remainder unitrust and gift annuity, which are described further in Note 4.

Net assets classification

The Organization distinguishes between net assets without donor restrictions and net assets with donor restrictions and changes in net assets in the accompanying consolidated financial statements. A description of these net asset classifications is as follows:

Net assets without donor restrictions – Net assets without donor restrictions are available for use at the discretion of the Board of Directors (the Board) and/or management for general operating purposes of the Organization. From time to time, the Board may designate a portion of these net assets for specific purposes, which makes them unavailable for use at management's discretion. Board-designated net assets may be earmarked for the support of both current and future programs, houses, and other uses. See Note 9 for more information on the composition of net assets without donor restrictions.

Net assets with donor restrictions – Net assets with donor restrictions consist of assets whose use is limited by donor-imposed time and/or purpose restrictions. Some donor-imposed restrictions are temporary in nature and may or will be met by expenditures or actions of the Organizations. Such restrictions include time and purpose restrictions imposed by donors, as well as restrictions imposed by law that restrict net investment income and gains on donor-restricted endowed funds until appropriated for expenditure. Other donor-imposed restrictions are perpetual in nature but permit the Organization to expend the income generated in accordance with the provision of the related donor agreements. Those net assets of the Organization which include restrictions that are perpetual in nature are comprised of funds whose earnings are to be used to operate and maintain the specific homes, pay for scholarships, and for private referrals for the programs in Monticello. See Note 8 for more information on the composition of net assets with donor restrictions.

Net assets released from restrictions

Net assets that are restricted by the donor are reported as increases in net assets without donor restrictions if the restriction expires in the same reporting period in which the support is recognized. Donor restricted net assets are released from donor restrictions by incurring expenses satisfying the restricted purpose, by the passage of time or by the occurrence of other events specified by the donor.

Spending policy

The Organization's endowment spending is governed by the Uniform Prudent Management of Institutional Funds Act (UPMIFA), which was approved by the Uniform Law Commission to serve as a guideline to states to use in enacting legislation. The state of Arkansas has enacted UPMIFA, which requires nonprofit organizations with donor-restricted endowed funds to follow certain standards when making investment and spending policy decisions.

Revenue recognition

Revenues are generally recognized when performance obligations are satisfied, or control of the promised goods or services is transferred to customers in an amount that reflects the consideration Vera Lloyd expects to be entitled to receive in exchange for those goods or services.

Contributions

Unconditional pledges to give cash and other assets are reported at fair value at the date the pledge is received. The gifts are reported as donor restricted support if they are received with donor stipulations that limit the use of the donated assets. Bequests are recorded as revenue at the time an unassailable right to the gift has been established and the proceeds are measurable.

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of these discounts is included in contribution revenue. Conditional promises are not recognized as revenue until the donor-imposed barrier is met.

Grants and contracts

The Organization receives government funding, in the form of federal and state contracts, to oversee and administer several programs. These revenues are accounted for as unconditional contributions as the revenue is not received in advance of performance but is rather received based on reports filed with the sponsoring organization for the preceding month. In light of the above, revenue is recorded on a monthly basis when the conditions of receiving the money are met in full.

Concentration of revenues

Approximately 100% of the Organization's revenues from federal and state contracts and grants for the years ended June 30, 2025 and 2024 were received from the DHS, either directly or as funding passed through from the United States Department of Health and Human Services, or the Arkansas Department of Education.

Functional expenses

Functional expenses have been allocated between program services, management and general, and fundraising. Personnel related expenses are allocated based on an analysis of personnel time utilized for the related activities. Other expenses are allocated based on other meaningful measures for the particular type of expenditure.

Income taxes

Vera Lloyd and the Foundation are publicly supported organizations exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code (the Code) and are classified as other than private foundations. Both are also exempt from state tax under similar provisions of state law. Accordingly, no provision for income taxes is included in the accompanying consolidated financial statements.

Use of estimates

The preparation of the consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Accordingly, actual results could differ from those estimates.

Fair value measurements

The Organization follows a framework for measuring fair value under U.S. GAAP and establishing disclosures about fair value measurements. This framework applies to all financial instruments that are being measured and recognized at fair value on a recurring and nonrecurring basis.

Recent accounting pronouncements

On July 1, 2024, the Organization adopted ASU 2016-13 *Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*. This standard replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss methodology (CECL). ASU 2016-13 requires an estimate of credit losses for the remaining estimated life of the financial asset using historical experience, current conditions, and reasonable and supportable forecasts of future events or conditions and generally applies to financial assets measured at amortized cost, including accounts receivable. The Organization adopted ASU 2016-13 during the year ended June 30, 2024; however, the adoption did not have a material impact on the Organization's financial statements and did not require a cumulative effect adjustment.

Subsequent events

The Organization has evaluated subsequent events for recognition and disclosure that occurred through September 18, 2025, the date the consolidated financial statements were available to be issued.

Note 3 – Liquidity and Availability of Financial Assets

The Organization's financial assets available for general expenditure within one year of the June 30 statements of financial position are as follows:

	2025	2024
Cash and cash equivalents	\$ 1,188,527	\$ 1,623,649
Certificates of deposit	234,956	50,001
Accounts receivable	261,030	275,071
Investments at fair value	14,211,982	13,722,552
Total financial assets, at year-end	15,896,495	15,671,273
Less amounts unavailable for general expenditures within one year due to:		
Contractual or donor-imposed restrictions:		
Subject to appropriation and satisfaction of donor restrictions	(310,054)	(898,007)
Endowment funds	(3,283,394)	(3,138,139)
Board designated endowment funds after appropriation	(9,854,230)	(9,364,437)
Total financial assets available to management for general expenditure within one year	\$ 2,448,817	\$ 2,270,690

The Organization's expenses are significantly related to the day-to-day operational costs of the homes owned by the Organization, maintenance costs directly related to general upkeep of the facilities, and salary expenses to run the programs. The majority of the Organization's support and revenues are not restricted by donors. The Organization receives funds at both the federal and state level to assist with the costs incurred at the program level. The Organization has exhibited a prudent spending and investment policy in response to the state's shift away from congregate housing and an environment of declining referrals over the previous years. Although the Organization holds a portion of net assets with donor restrictions, approximately 76% of its net assets are without donor restrictions and, therefore, could be made available for current operations as deemed necessary.

Note 4 – Fair Value of Financial Instruments

In determining fair value, the Organization uses various methods including market, income, and cost approaches. Based on these approaches, the Organization often utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and the inputs to the valuation technique. These inputs can be readily observable, market corroborated, or generally unobservable inputs. The Organization utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation techniques, the Organization is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values.

Financial assets carried at fair value will be classified and disclosed in one of the following three categories:

- Level 1 – Valuations for assets and liabilities traded in active exchange markets, such as the New York Stock Exchange. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.
- Level 2 – Valuations for assets and liabilities traded in less active dealer or broker markets. These might include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by market data by correlation or other means. If the asset or liability has a specified (contractual) term, the input must be observable for substantially the full term of the asset or liability.
- Level 3 – Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models and similar techniques, and not based on market exchange, dealer, or broker traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Fair value on a recurring basis

The balances of assets measured at fair value on a recurring basis at June 30, 2025, are as follows:

	Level 1	Level 2	Level 3	Total
Equity securities	\$ 2,938,973	\$ -	\$ -	\$ 2,938,973
Mutual funds:				
Large cap funds	2,326,858	-	-	2,326,858
Mid cap funds	144,979	-	-	144,979
Small cap funds	37,758	-	-	37,758
Balanced funds	16,354	-	-	16,354
Income funds	1,180,316	-	-	1,180,316
Emerging markets	151,194	-	-	151,194
Growth funds	20,857	-	-	20,857
Real estate investment trusts	71,522	-	-	71,522
Corporate bonds	757,222	-	-	757,222
US Government and Municipal Obligations	197,873	-	-	197,873
Private equities	-	-	329,848	329,848
Investments in the fair value hierarchy	<u>\$ 7,843,906</u>	<u>\$ -</u>	<u>\$ 329,848</u>	8,173,754
Investments measured at net asset value (NAV)*				6,038,228
Total investments at fair value				<u>\$ 14,211,982</u>
Interest in perpetual trust and split-interest agreements	\$ -	\$ -	\$ 1,378,700	\$ 1,378,700

The balances of assets measured at fair value on a recurring basis at June 30, 2024, are as follows:

	Level 1	Level 2	Level 3	Total
Equity securities	\$ 2,999,953	\$ -	\$ -	\$ 2,999,953
Mutual funds:				
Large cap funds	2,058,841	-	-	2,058,841
Mid cap funds	44,584	-	-	44,584
Small cap funds	16,321	-	-	16,321
Balanced funds	17,205	-	-	17,205
Income funds	1,133,750	-	-	1,133,750
Real estate funds	1,837	-	-	1,837
Emerging markets	151,793	-	-	151,793
Growth funds	35,037	-	-	35,037
Real estate investment trusts	79,966	-	-	79,966
Corporate bonds	733,809	-	-	733,809
US Government and Municipal Obligations	274,114	-	-	274,114
Private equities	-	-	467,788	467,788
Investments in the fair value hierarchy	<u>\$ 7,547,210</u>	<u>\$ -</u>	<u>\$ 467,788</u>	8,014,998
Investments measured at NAV*				5,707,554
Total investments at fair value				<u>\$ 13,722,552</u>
Interest in perpetual trust and split-interest agreements	\$ -	\$ -	\$ 1,282,445	\$ 1,282,445

* In accordance with ASC Subtopic 810-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair values presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items on the consolidated statements of financial position.

The Organization had no purchases or transfers into or out of Level 3 during the years ended June 30, 2025 and 2024.

For the years ended June 30, 2025 and 2024, the application of valuation techniques applied to similar assets and liabilities has been consistent. The following table summarizes the quantitative inputs and assumptions used for items categorized in Level 3 of the fair value hierarchy as of June 30, 2025 and 2024, respectively. In addition to the techniques and inputs noted in the table below, according to the Organization's valuation policy, other valuation techniques and methodologies may also be used when determining fair value measurements.

The table below is not intended to be all inclusive, but rather provides information on the significant Level 3 inputs as they relate to fair value measurements:

Financial Asset	Valuation Technique	Unobservable Inputs	Fair Value at June 30	
			2025	2024
Private equities	Private equities are valued based on a valuation of the stock provided by the management of the companies based on a multiple of taxable income and discounted due to lack of marketability.	15% Discount rate	\$ 329,848	\$ 467,788
Gift annuities and unitrust**	Measured and recorded at the actuarially determined present value as calculated by the administrator of the gift instrument.	N/A	84,178	84,172
Perpetual Trust**	Measured and recorded at fair value of the assets contributed to and held by the intermediary	N/A	1,294,522	1,198,273

** Collectively reported in the interest in perpetual trust and split-interest agreements line-item within the consolidated statements of financial position.

The following summarizes the Organization's investments measured at fair value based on NAV per share as a practical expedient as of June 30, 2025:

	Redemption Frequency	Redemption Notice Period	Fair Value	Unfunded Commitment
Texas Presbyterian Foundation (TPF) large cap equity fund	Monthly	{a}	\$ 3,226,093	\$ -
Texas Presbyterian Foundation balanced fund	Monthly	{a}	1,057,535	-
Texas Presbyterian Foundation fixed income fund	Monthly	{a}	801,576	-
Presbyterian Church Foundation (PCF) endowment fund	Quarterly	{b}	490,322	-
Texas Presbyterian Foundation growth equity fund	Monthly	{a}	421,703	-
Other TPF/PCF common funds	Monthly	{a} {b}	40,999	-
			<u>\$ 6,038,228</u>	<u>\$ -</u>

{a} The redemption notice period for TPF common funds is the third to last business day of the month.

{b} The redemption notice period for PCF endowment service accounts is thirty days.

The following summarizes the Organization's investments measured at fair value based on NAV per share as a practical expedient as of June 30, 2024:

	Redemption Frequency	Redemption Notice Period	Fair Value	Unfunded Commitment
Texas Presbyterian Foundation (TPF) large cap equity fund	Monthly	{a}	\$ 2,999,062	\$ -
Texas Presbyterian Foundation balanced fund	Monthly	{a}	1,017,991	-
Texas Presbyterian Foundation fixed income fund	Monthly	{a}	804,783	-
Presbyterian Church Foundation (PCF) endowment fund	Quarterly	{b}	464,593	-
Texas Presbyterian Foundation growth equity fund	Monthly	{a}	381,233	-
Other TPF/PCF common funds	Monthly	{a} {b}	39,892	-
			<u>\$ 5,707,554</u>	<u>\$ -</u>

{a} The redemption notice period for TPF common funds is the third to last business day of the month.

{b} The redemption notice period for PCF endowment service accounts is thirty days.

Fair values for common funds managed by TPF and PCF are determined monthly by TPF and PCF at the net asset value of units held based on the fair values of underlying assets held by the funds. The Organization has limited transparency into the underlying positions of common funds and therefore cannot independently assess the value of the underlying positions through a public exchange or over the counter market.

The table below is not intended to be all inclusive, but rather provides information on the five largest common funds held by the Organization as of June 30, 2025 and 2024:

Fund Name	Investment Mix/Strategy
TPF large cap equity fund	Broadly diversified portfolio of predominately U.S. and global stocks and is focused on long-term growth, while avoiding speculation and undue risk. Over three to five year market cycles, the Fund's goal is to provide returns exceeding the Russell 1000 index but with less volatility risk.
TPF balanced fund	Holds interest in most of the TPF common funds in allocations determined by the TPF Board of Trustees' Investment Committee and is focused on producing a total rate of return from a blend of equity and fixed income securities.
TPF fixed income fund	Diversified bond portfolio and seeks to produce a total rate of return, net of expenses, which exceeds the Barclays Capital Aggregate Bond Index and is ranked above the median performance level of the universe of comparable funds.
PCF endowment fund	Broadly diversified portfolio of predominately U.S and non U.S equities, private equity assets, and investment grade fixed income securities and is focused on providing a stream of regular distributions in support of annual budgetary needs.
TPF growth equity fund	Broadly diversified portfolio of predominately U.S and international equities that seeks to provide opportunities for long-term capital growth. The Fund's goal over three to five year market cycles is to provide returns that exceed a market benchmark (the Russell 1000 Growth Index) but with lower risk than the benchmark as measured by volatility of returns.

Note 5 – Property and Equipment

Property and equipment consist of the following at June 30:

Description	Estimated Useful Life	2025	2024
Buildings and improvements	10 - 40 years	\$ 6,558,925	\$ 6,144,749
Equipment	3 - 30 years	1,474,500	1,173,692
Furniture and fixtures	3 - 10 years	259,948	257,797
Vehicles	3 - 5 years	163,030	212,265
Land	N/A	41,400	41,400
Right of use asset - operating lease	N/A	32,728	80,640
Construction in progress	N/A	-	19,760
Total		8,530,531	7,930,303
Less accumulated depreciation		(4,875,053)	(4,721,980)
Property and equipment, net		<u>\$ 3,655,478</u>	<u>\$ 3,208,323</u>

Note 6 – Leases

The Organization accounts for its leases in accordance with ASC Topic 842, *Leases*, which requires recognition of most leases with a term greater than twelve months on the statements of financial position. The Organization leases certain premises and equipment under agreements that are categorized as operating lease agreements. At lease commencement, the lease contract is reviewed to determine whether the contract is a finance or an operating lease; a lease liability is recognized on a discounted basis, related to the Organization's obligation for the future lease payments; and a right-of-use asset is recognized related to the Organization's right to use, or control the use of, the specified asset for the lease term. The Organization elected to discount the future lease payments using a risk-free rate. The Organization has also elected to apply the short-term measurement and recognition exceptions provided under ASC Topic 842 and, as a result, leases with an initial term of 12 months or less are not recorded on the statements of financial position. The Organization recognizes lease expense on a straight-line basis over the lease term.

The Organization leases its Little Rock office space under a long-term operating lease agreement that requires monthly payments of \$4,093 with payments increasing by 3% in March 2025 through expiration in February 2026. The following table presents information related to the Organization's right-of-use asset, included in premises and equipment, and lease liability as of June 30, 2025 and 2024:

	2025	2024
Right-of-use asset – operating lease	\$ 32,728	\$ 80,640
Lease liability – operating lease	33,442	81,444
Weighted average remaining lease term	0.75 years	1.75 years
Weighted average discount rate	2.88%	2.88%

The Organization's remaining undiscounted minimum lease payments under the Little Rock operating lease agreement as of June 30, 2025 are as follows:

2026	\$ 33,723
Total undiscounted minimum lease payments	33,723
Less: net present value adjustment	281
Lease liability	<u>\$ 33,442</u>

For the fiscal years ended June 30, 2025 and 2024, rent expense under all leases, including those with initial durations of less than one year, totaled \$49,513.

Note 7 – Endowments

The Organization's endowment consists of 17 individual funds established for a variety of purposes including donor-restricted endowment funds and funds designated by its board of directors to function as endowments. As required by U.S. GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of relevant law

The Board of the Organization has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies net assets with donor restrictions of a perpetual nature as (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund will also remain under the net assets with donor restrictions classification until those amounts are appropriated for expenditure by the Board of the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Organization
- (7) The investment and spending policies of the Organization

Endowment net asset composition by type of fund as of June 30 is as follows:

	<u>2025</u>	<u>2024</u>
Donor-restricted endowment funds	\$ 3,283,394	\$ 3,138,139
Board-designated endowment funds, without donor restrictions	<u>9,854,230</u>	<u>9,364,437</u>
Total endowment funds	<u>\$ 13,137,624</u>	<u>\$ 12,502,576</u>

Changes in endowment net assets for the years ended June 30, 2025 and 2024:

	Without Donor Restrictions	With Donor Restrictions	Total
Endowment net assets, beginning of year, July 1, 2023	\$ 8,666,766	\$ 2,893,944	\$ 11,560,710
Investment return:			
Interest and dividends	248,846	15,790	264,636
Underwater endowment gain	-	16,067	16,067
Net appreciation (unrealized and realized), net of fees	495,234	212,338	707,572
Total investment return	744,080	244,195	988,275
Appropriation of endowment assets for expenditure	(110,072)	-	(110,072)
Designation by board	63,663	-	63,663
Endowment net assets, end of year, June 30, 2024	9,364,437	3,138,139	12,502,576
Investment return:			
Interest and dividends	240,020	18,073	258,093
Underwater endowment gain	-	25,667	25,667
Net appreciation (unrealized and realized), net of fees	158,925	101,515	260,440
Total investment return	398,945	145,255	544,200
Appropriation of endowment assets for expenditure	(128,790)	-	(128,790)
Designation by board	219,638	-	219,638
Endowment net assets, end of year, June 30, 2025	\$ 9,854,230	\$ 3,283,394	\$ 13,137,624

Risk objectives and risk parameters

The Organization has adopted investment and spending policies for endowment assets that attempt to support the current and future operations of the Organization, while maintaining the endowed assets at the level restricted by the donor to be held in perpetuity or for a donor-specified period. Under the investment policy, as approved by the Board, the endowment assets are invested in a manner that is intended to preserve the principal value of the assets and to provide for appreciation in value of the assets in order to hedge against the effects of inflation.

Strategies employed for achieving objectives

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Spending rate

The spending rate of earnings on endowments is determined annually by the Board, and was 5.85% and 5.00% of the value of the invested endowment assets for each of the years ended June 30, 2025 and 2024, respectively. The calculation of the spending amount is based on the quarterly average endowment fund market values as of March 31 and the preceding 20 quarters. This policy was adopted to achieve the objective of maintaining purchasing power of the endowment assets held in perpetuity or for a specified time.

Funds with deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level the donor or UPMIFA requires the Organization to retain in perpetuity. Deficiencies of this nature are reported in net assets with donor restrictions. As of June 30, 2025 and 2024, a fund with an original gift value of \$500,000 had a deficiency of \$5,265 and \$30,932, respectively. This deficiency resulted from unfavorable market fluctuations.

Note 8 – Net Assets with Donor Restrictions

Net assets with donor restriction consist of the following as of June 30:

	2025	2024
Endowment earnings, subject to expenditure for specified purpose:		
Assist with private referrals for programs in Monticello	\$ 56,303	\$ 47,457
Scholarships	1,025,371	891,994
Investment losses in excess of spend rate	(159,421)	(136,786)
Total endowment earnings, subject to expenditure for specified purpose	922,253	802,665
Funds restricted in perpetuity:		
Charbeck Fund	302,500	302,500
Pettus Home Endowment	48,278	48,278
Jerry Newbold Memorial	8,096	8,096
General Endowment Donor	714,114	714,114
Barton Home Endowment	137,300	137,300
Williamson Endowment	115,777	115,777
Walton Endowment	494,735	469,068
Wooten Anderson Endowment	114,859	114,859
Marsh Horsfall Fund	25,000	25,000
Lorene Empson Private Placement	25,000	25,000
Icy Gregory Endowment	375,482	375,482
Total funds restricted in perpetuity	2,361,141	2,335,474
Total donor-restricted endowment funds	3,283,394	3,138,139
Subject to expenditure for specified purpose:		
Monticello gym renovations and workforce program	109,725	700,752
Beneficial interest in perpetual trust	1,294,520	1,198,274
Renovation of other facilities	8,100	8,100
Maintenance of the Lewis Home	192,229	189,155
Total subject to expenditure for specified purpose	1,604,574	2,096,281
Total net assets with donor restrictions	\$ 4,887,968	\$ 5,234,420

Note 9 – Net Assets Without Donor Restriction

The Organization's net assets without donor restrictions are comprised of undesignated and Board-designated amounts for the following purposes as of June 30:

	2025	2024
Undesignated	\$ 6,036,417	\$ 5,381,213
Board designated endowment	9,854,230	9,364,437
Total net assets without donor restrictions	<u>\$ 15,890,647</u>	<u>\$ 14,745,650</u>

Note 10 – Employee Benefit Plans

The Organization self-administers two employee benefit plans, which qualify for tax deferment under the Code.

The tax-sheltered annuity plan is under Internal Revenue Service (IRS) Code Section 403(b). Employees enter into a salary reduction agreement, up to IRS limits, for which the proceeds are used to invest in mutual funds. Employees do not pay income tax on these amounts until the benefits are received under the plan. Contributions by the Organization on behalf of the employees for the years ended June 30, 2025 and 2024, totaled approximately \$33,000 and \$32,000, respectively.

The cafeteria plan is under IRS Code Section 125. Employees enter into a salary reduction agreement, up to IRS limits, for which withholdings are used as payment toward health or life insurance. Employees do not pay income tax or Social Security/Medicare taxes on these amounts.

Note 11 – Related Party Transactions

The Organization is the beneficiary of the income derived from assets held in the Presbyterian Children's Home Endowment Trust (the Trust). The Trust was established in 1949 as a permanent endowment fund for the use and benefit of the Synod of Arkansas of the Presbyterian Church to be applied to the maintenance, operation, and support of the Organization. The Trust remains in effect until the Organization ceases operations, at which time the Trust shall terminate and the remaining assets shall be distributed to the Synod of Arkansas of the Presbyterian Church.

Income derived from Trust assets and paid to the Organization is recorded by the Organization in the period in which it is received and consists primarily of proceeds from harvesting timber on real estate owned by the Trust. The Trust has delegated the authority for managing the timber to the Organization. The total amount of trust income related to the harvesting of timber for the year ended June 30, 2024 was approximately \$12,000. There was no income related to the harvesting of timber for the year ended June 30, 2025.

While the Organization does have the unconditional and irrevocable right to all the perpetual cash flows generated from the Trust assets, due to the nature and infrequent production of income from the Trust, management has been unable to estimate a fair value measurement for this beneficial interest. As such, this beneficial interest has not been recorded by the Organization in the accompanying consolidated financial statements.

The Organization's facilities in Monticello, Arkansas, are located on land owned by the Trust at no cost to the Organization. Due to the undeterminable fair market value of this land, no costs have been capitalized or expensed in the accompanying consolidated financial statements.

SUPPLEMENTAL INFORMATION

VERA LLOYD PRESBYTERIAN FAMILY SERVICES, INC.

SCHEDULE OF GOVERNMENTAL ASSISTANCE

Year ended June 30, 2025

Program Grantor/Pass Through/Program Title	Assistance		
	Listing Number	Federal/State Revenues	Federal/State Expenditures
<u>Federal Assistance</u>			
United States Department of Health and Human Services/ Arkansas Department of Human Services and United States Department of Agriculture:

Total state revenues and expenditures		<u>\$ 1,483,066</u>	<u>\$ 1,483,066</u>

The Organization also received \$20,765 in Medicaid funding during the year ended June 30, 2025.

VERA LLOYD PRESBYTERIAN FAMILY SERVICES, INC.

NOTES TO THE SCHEDULE OF GOVERNMENTAL ASSISTANCE

Year ended June 30, 2025

Note 1 – Basis of Presentation

The accompanying Schedule of Governmental Assistance (the Schedule) includes the federal and state grant and contract activity of Vera Lloyd Presbyterian Family Services, Inc. under programs of the federal and state governments for the year ended June 30, 2025. No federal awards were received from passed-through subrecipients. Because the Schedule presents only a portion of the operations of Vera Lloyd Presbyterian Family Services, Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of Vera Lloyd Presbyterian Family Services, Inc.

Note 2 – Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following, as applicable, cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. No indirect cost rate has been elected by Vera Lloyd Presbyterian Family Services, Inc.

Note 3 – Subrecipients

Of the federal expenditures presented in the Schedule, no federal and state awards were provided to subrecipients.

VERA LLOYD PRESBYTERIAN FAMILY SERVICES, INC.

SCHEDULE OF UNITS OF SERVICE

Year ended June 30, 2025

The following units of service were provided by the Organization:

Month	Year	(1) Supervised Independent Living Days	(2) Therapeutic Group Home Days	(3) Lunch Meals	(3) Breakfast Meals	(4) Qualified Residential Treatment Days
July	2024	31	250	436	443	329
August	2024	31	346	452	577	341
September	2024	30	335	721	920	319
October	2024	31	441	540	608	318
November	2024	30	456	551	619	332
December	2024	31	379	485	525	266
January	2025	31	428	486	556	186
February	2025	28	399	471	553	218
March	2025	52	456	547	630	261
April	2025	60	566	686	770	282
May	2025	59	617	748	813	285
June	2025	54	517	669	708	212
		468	5,190	6,792	7,722	3,349

Funding by DHS is provided through units of service. Units represent number of days of service or meals provided under the programs funded by DHS. The units are applied to a rate per day or amount per meal served to determine the reimbursement under the programs. The Organization recognizes the revenue from these contracts when the services are provided.

(1) Supervised Independent Living is provided through the Division of Children and Family Services - Independent Living Aftercare program.

(2) Therapeutic group home service is provided through the Arkansas State General Revenue Division of Youth Services program.

(3) Lunch and breakfast meals are provided through the National School Lunch Program.

(4) Qualified residential treatment is provided through the Foster Care - Title IV E, Division of Children and Family Services IV E TFC - Match Rate, and Foster Care - State programs.

To the Board of Directors
Vera Lloyd Presbyterian Family Services, Inc.

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of Vera Lloyd Presbyterian Family Services, Inc., which comprise the consolidated statement of financial position as of June 30, 2025, and the related consolidated statements of activities and net assets, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements and have issued our report thereon dated September 18, 2025.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Vera Lloyd Presbyterian Family Services, Inc.'s internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Vera Lloyd Presbyterian Family Services, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Vera Lloyd Presbyterian Family Services, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Vera Lloyd Presbyterian Family Services, Inc.'s consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in black ink that reads "Erwin & Company". The signature is written in a cursive, flowing style.
